

Friday Opening Prayer 7-27-18

Leader:

Let us take a moment to clear our minds and hearts, to allow Jesus to fill them with His presence.

Trust is a valued character trait often lacking in today's world. We need to learn to trust in God in every circumstance in every area of our lives.

Pope Francis shares his thoughts on trusting in the Lord: "Although the life of a person is in a land full of thorns and weeds, there is always a space in which the good seed can grow. You have to trust in God."

He goes on to say, "Only trust in God can transform doubt into certainty, evil into good, and night into radiant dawn."

Lord, we pray that our trust in you grows deeper as we continue on our journey this weekend. Help us to be open to your spirit and guidance that we may increase our trust in Jesus.
AMEN.
