

The JTO Connector 2020-2021

September 27, 2020 – Vol. 9

Followers of St Francis!

What can an 800-year old document tell us about living our life in the next year?

Let's find out together!

In 1221, St Francis completed his draft the 'The Rule' for Secular Franciscans. 800 years ago! Many of us professed to live by 'The Rule.' What do you think St Francis would say if he were in our world today? What would he do? What would he want YOU to do?

Over the next few months, please join us as we gather to examine 'The Rule.'

Let's deepen our understanding and re-commit to our professed vows as Secular Franciscans.

What better way to celebrate Francis than for us, as professed members and those who are committed to St. Francis, to discuss 'The Rule' for Secular Franciscans?' One section per week for 26-28 weeks. Each session moderated by a professed Secular Franciscan.

Our world needs us to step up now more than ever!

'The Rule' is divided into 26 sections. Each week, we'll discuss one section.
